Rates are based on the accommodation selected and the level of care required, as determined through a clinical assessment and plan of care. Bethea's 88-bed Nursing & Rehabilitation Center is licensed by the state of South Carolina and certified for Medicare, Medicaid, and VA benefits; coverage varies by individual circumstance and length of stay. Contact our admissions team to review your options.

Rates effective October 1, 2026 and subject to change. Concierge Living and Assisted Living rates include laundry, meals, activities, housekeeping, and utilities (telephone excluded). Installments reflect daily rate × days in the billing period. A 3% late fee applies after 14 days. Charges are payable in advance.
